Kristin Looney
Looney Labs
PO Box 761
College Park, Md 20741

Dear Kristin,

This letter is to certify that all of Looney Labs card games are produced using the same exact paper, ink and coatings as the Back To The Future card game that we recently produced for you. We will not vary from these materials without consulting with you in advance.

Thank you for all of the business you send our way.

Sincerely,

Roger Ganger, President
Delano Service/EPI Printers, Inc.
